This is the perfect opportunity for residents to learn more about the Associations and the community.

During September, October and November, the Association's Community Standards Coordinators will be out performing deed restriction inspections in the following villages/neighborhoods:

OCTOBER

50+ GROUP

Interested in joining other adults in a variety of activities - game nights, lunch outings, pot luck suppers, men's breakfasts, pool party and much more?

Contact Adrianne Streckfus at 832/473-4529 or adestreck@gmail.com.

Dear Dougie

What are the inspectors looking for on their deed restriction drives?
- Raymond, Anderson Springs

Great Question! The objective of our drives is to initiate or escalate any deed restriction violations and ensure that we help maintain the high standards and expectations of the community.

During our drives, Community Standards staff drive the community and performs a thorough check for violations. Common examples of violations that staff finds include lack of landscape maintenance, dirt/mildew that needs to be power washed from the home or driveway, damage to the sidewalk or driveway, fences/gates that are in need of cleaning or maintenance, trashcans stored in view and property modifications that have not been approved.

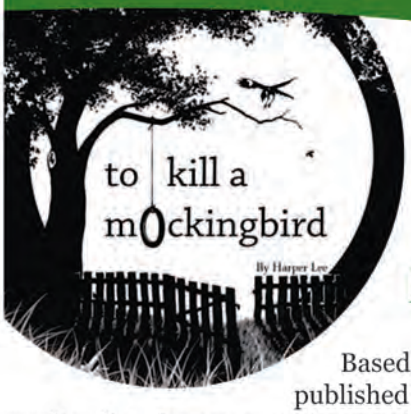
Our staff will also follow up on any complaints we receive from neighbors in between our proactive deed restriction drives. We know that with the continued help and support of all residents that we can continue to keep Sienna the stellar community it is.

Updated DECORATIONS POLICY

As part of the updated **Decorations, Signage and Religious Items Guidelines Policy**, residents can now install decorations reflecting the winter holidays during Thanksgiving week, but any such decoration must not be illuminated/inflated until *after the Thanksgiving holiday*. This policy change was made in recognition that many residents contract for light installation/set up earlier than December 1 in an effort to obtain the best value. A complete copy of the policy is available online at Siennanet/Your HOA/Resource Center.

You Can Pay Toward Assessments AHEAD OF TIME!

Sienna residents are welcome to make payments to their Association account prior to receiving their 2019 Assessment statements. Residents who wish to make payments in advance of the January deadline can do so without a formal payment agreement. Any payments made prior to the January 31, 2019 deadline will be credited immediately. This is a great way to make installment payments without incurring any fees or interest! For more information, contact Judy Kosler, Association Bookkeeper at 281/778-3732. To begin making payments right away, visit Siennanet and click on 'Online Assessment Payments' on the home page.



Ridge Point Theater Presents: TO KILL A MOCKINGBIRD

Based on the award winning novel by Harper Lee, published in 1960, the novel continues to be a staple on reading lists for many students. It has been widely praised for its sensitive treatment of a child's awakening to racism and prejudice in the American South. This special Ridge Point Theater presentation is an event that should not be missed! **Tickets available at: www.rphstheatrebooster.com. Show dates are October 4, 5, 6, & 9; Showtime: 7 p.m.**

SUMMARY: Set in a small Alabama town in the 1930s, the story is told predominately from the viewpoint of six-to-nine-year-old Jean Louise ("Scout") Finch. She is the daughter of Atticus Finch, a white lawyer hired to defend Tom Robinson, a black man falsely accused of raping a white woman. A coming-of-age story of an intelligent, unconventional girl, To Kill a Mockingbird portrays Scout's growing awareness of the hypocrisy and prejudice present in the adult world.

The results are an unforgettable rhythmic scene. **This unique evening is from 6 to 9 p.m., at the Sawmill Lake Club.** Pizza, water, and soda will be provided for the kids free of charge, and a food truck will also be on hand to sell sweet treats. TENNIS
news and information

Jan's Tennis Thought

If you are looking for a way to lift your level of play you may be ready to add different serves to your game. As your progress in levels, your serve should also progress. You may have started with a flat serve, but as you get better you may find that a slice serve works better for you and adds some "pow" to your game. Practice hitting the ball on its side to create a topspin and bounce, this can be more difficult to return. Practice against a backstop or better, with a partner. As you master a new serve you will likely begin winning more points.

Courtesy Tennis Tips

- Please do not hang on court nets.
- Please hang roldries when you are finished using them - it will help them to dry and keep them in shape for everyone's use.
- No glass containers on the tennis courts.
- Skateboards, roller blades, bicycles are not allowed on the courts.
- All dogs at the courts must be on a leash.
- Please be responsible and pick up trash and beverage containers prior to leaving.

FEES ARE DUE
at Lesson

Residents are reminded that all tennis fees must be paid prior to camps or leagues start date. Additionally, payments for private or semi-private lessons are due at the time of the lesson. IOU's are difficult to keep up with and puts the staff at a disadvantage. *Thank you!*

FALL LEAGUES
are on the Courts

The Fall league season is hopping, which means that tennis play is in full swing and the courts are hopping. Please note the following schedule:

Monday morning - Ladies Doubles
Tuesday night - Ladies Doubles
Wednesday morning - Ladies Doubles
Thursday night - Men's Doubles
Friday morning - Ladies Doubles
Sunday afternoon - Mixed Doubles

Sienna Plantation Tennis Club House GRAND OPENING!

Join us on **Friday, October 26, from 6:30 - 8:30 p.m., at the new Sienna Plantation Tennis Facility** (9600 Scanlan Trace) to celebrate the grand opening of Sienna's newest amenity! There will be food, drinks, and games for everyone to play as well as a limited number of giveaways and door prizes that to be raffled off throughout the evening. So stop by and see our newest addition, as well as the refurbished courts - we're looking great!

We're READY TO PLAY!

The new tennis and bathroom building is ready for use! We're decked out and ready to welcome players & visitors. Residents will find fresh coffee, indoor and outdoor tables to watch teammates play and more! Bathrooms are accessible throughout the day during operating hours and with your Sienna ID after hours. While you are checking out the building - take a look at all of the updates to the courts: a bright new color scheme, bleachers and windscreens top it all off!

RESERVE Your Court

The fall leagues have started, so please use the reservation system to ensure that you have a court available and to avoid any potential conflicts. Remember, courts can only be reserved 48 hours in advance. To reserve a court, visit Siennanet/Tennis.

Please Treat Nets and Court GENTLY

Players are asked not to sit, lean, or hang onto the court nets. Doing so stretches the net which often affects the height of net. Nets are required to be 36 inches in the center. Even reaching over, while touching the net, to grab a ball can affect the height. Also, the courts are for tennis play only. No skates, skateboarding, bikes, or pets are allowed.

Court 7 is reserved for Jan's tennis lessons 24/7 - every day of the week. Please be courteous of your neighbors' time and do not use this court.
